

Antique Rug Studio

Malayer #18893

Description

An uncountable number of botehs on a brown field. Who else but Malayer? A rose-brown border with rosettes and ivory three leaf clover guards. Thick pile, never really used. This c. 1920 west Persian Malayer long rug avoids bright blues, strong reds and pungent yellows to create a more restrained, but not monochromatic, palette.

Stock ID:	#18893
