

Antique Rug Studio

1930s Austrian Art Nouveau Vienna Werksttte Carpet

Description

The open light rose field of this c.1930 Austrian Deco carpet is bounded by a narrow stripe of alternating squares and rectangles. The general effect is minimal yet colorful. The carpet does not have a design in competition with the art and other furnishings, but it easily holds its own in any context. 1930s Austrian Art Nouveau Vienna Werksttte Carpet.

Stock ID:	#19280
